GRAMMATA ON CHURCH MEMBERSHIP

In an effort to clarify membership determination in the NEBRASKA EXARCHATE we hereby state the following categories:

(1) Practicing Member

A layperson who has joined a dependency or a clergy person directly incardinated into the diocese (Exarchate).

(2) Associate Member

(a) A person who is enrolled as a student in an educational institution of the church (i.e. seminary, educational services, parish catechetical courses, etc.).

(b) An entity and all its members accepted into a ministry of this Exarchate (e.g., a religious or chivalric Order; a society or association).

(c) A person who is under direct pastoral care of a clergyman or ministry of this Exarchate (e.g., inmate, chaplaincy patient, pastoral care client).

(3) Honorary Member

A person granted such status by special *Indult* of the bishop (Exarch).

This Grammata had been given originally on the 1st day of September 1995, was then ratified at the Sobor in 1999 and is now being reissued with slight adjustments.

Given at Lincoln, July 1, 2018:
